A QUALITY PRODUCT MADE IN AUSTRIA

Barista
Milk Mate

**PORTIONED MILK
FOR PROFESSIONALS**

HELPS YOU TO SAVE **TIME AND MONEY**

LCDC Barista MilkMate is simple in usability and you get perfect portioned milk directly from the cooling.

The integrated rinsing system makes sure you always work with clean and cold milk cans. The first step for perfect latte art.

**PERFECT PORTIONED.
EVEN IN PEAK HOURS.**

A QUALITY PRODUCT **MADE IN AUSTRIA**

The Barista MilkMate was developed in Austria and still has its manufactory here.

LATTE ART CHAMPION **BENJAMIN GRAF**

... swears by the precision and hygiene of LCDC Barista MilkMate. Whether in his contest preparation or during several barista trainings. Barista MilkMate is an integral part of his daily worklife!

„Once have worked with this milk portionating system, you don't want to work without it anyway.“

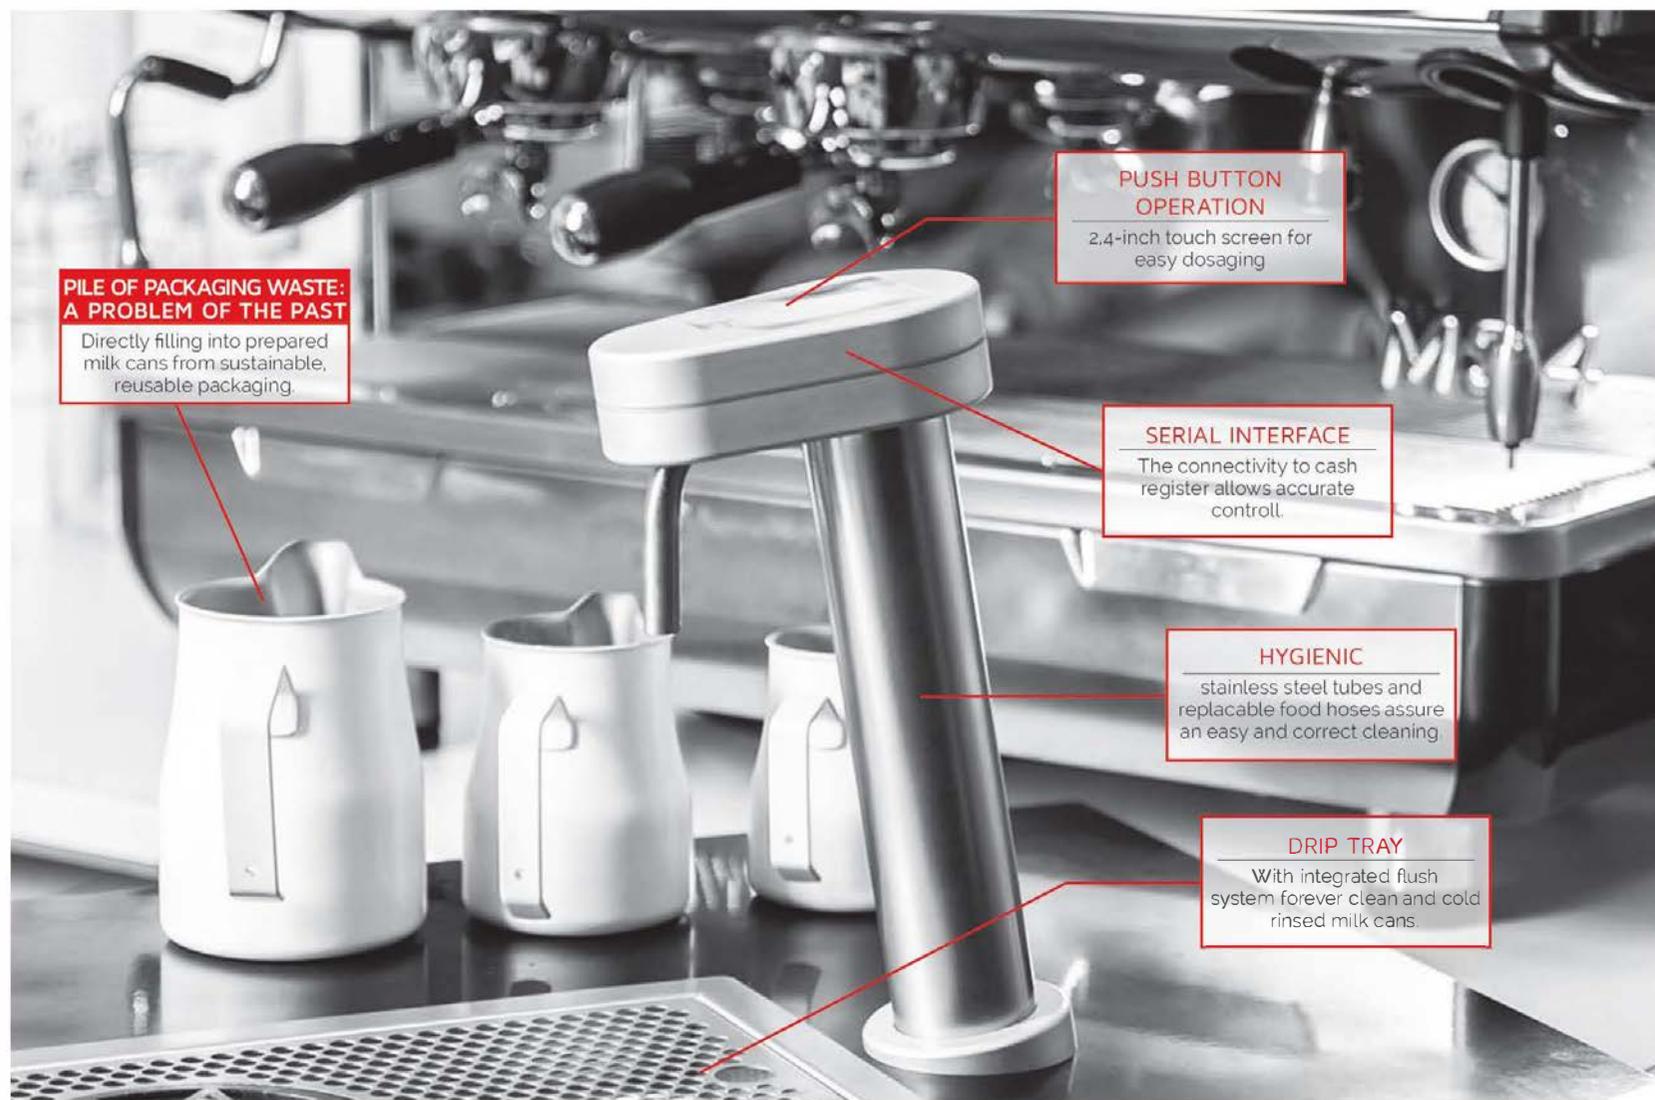

THE FACTS

LCDC Barista MilkMate saves space and can be installed into the smallest baristabar.

Its use per touch is integrated into daily workflow immediately.

WHAT FOR?

Team of La Cultura del Caffè offers everything you need for perfect coffee. The high level coffee experience starts with perfectly portioned milk. That was the reason why Mario Kranister and his team developed the LCDC Baista MilkMate. Unique all over the world but necessary in every Barista work place.

FOUNDER

MARIO KRANISTER

„We are proud of our development.“
